## / WORK EXPERIENCE

*Always start with the most recent job/work responsibility and only keep the list relevant to the work that gives you an advantage*

### **Co-Founder, Sonda Financial Services Limited, 2020 - to date**

Co-founded a financial literacy and investment initiative for single mothers, to support education for the children. I manage a client portfolio of 40 single mothers with over 70 children in school.

### **Customer Service Associate, PLC Bank, May 2018 - August 2019**

Handled client relations, as a front-desk associate collecting and filing feedback in order to improve the bank image and brand. Handled 140 clients in 3 months, supporting them to resolve complaints and was awarded for improving the bank's response time

### **Research Assistant, Office of the Dean, 2017 - 2018**

Coordinated a team of 5 other students to design a data analysis system for the university ID office. Our system analyzed data for 10,000 students over 2 years

### **Volunteer, Boundless Minds,, January - August 2020**

Managed a portfolio of 50 professionals who offer mentorship to 100 students. My roles include scheduling and follow-up of mentorship meets, overseeing project evaluation and reporting.

## / EDUCATION HISTORY

*If the job advert specifically asks for proficiency in certain subjects, please mention it/them here*

### **B.A. Economics and Accounting, Kyoto University of Science | 2015-2018**
